Sir:

In Response to the Miscellaneous Letter With Shortened Period for Response dated May 17, 2005, Applicants traverse the alleged objections to the Applicants' original Response filed December 17, 2004. Applicants' Response dated December 17, 2004 included more than mere statements that point out disagreement with the Examiner's contentions as alleged in the Miscellaneous Letter. Applicants Response filed December 17, 2004 was fully responsive to all issues presented in the Action and specifically points out how the language of the independent claims 1, 36, 38-40, 42, 57, 63, 69, 74, and 77 patentably distinguishes these claims from the references, in compliance with MPEP § 714.02.

Nevertheless, to advance the prosecution of the application, Applicants submit herein their revised Response to the Office Action dated September 20, 2004 which italicizes the specific sentences that explain how the claims distinguish over the references and which includes additional sections which briefly describe each of the references.

Kindly amend the above Application, without prejudice, as follows:
